

South Weber Water Improvement District

7924 S 1900 E South Weber, UT 801-475-4749 www.southweberwater.com

Notice to all Customers of South Weber Water Improvement District

- **Invoicing Changes**

The South Weber Water Improvement District will no longer be sending annual invoices. The District's annual water fees will now be assessed through the Davis County Property Tax Valuations beginning with the 2023 assessments. Customers will see a line item on the Property Valuation Notice labeled "SOUTH WEBER WATER CH"

The assessment this November will be for the 2024 watering season and consecutive annual charges will be assessed each November moving forward.

*Entities that are not charged property taxes will be receiving a paper invoice in October and the fees for the 2024 season will be due each November.

- **Water Shut Off Date**

We appreciate the continual efforts of all customers in helping with water conservation. The forecast for water shut off this year is set for October 15, 2023.
